Avon Trail
Trail Maintenance (TM) Report

Two (2), or more of these reports are to be filled out preferably in the Spring and the Fall. The report is to be mailed to or emailed to the Trail Maintenance Co-ordinator ASAP.These reports are mandated by our insurance carrier and will be referred to in the event of an on the trail incident.
Blazing is best done in June when the leaves are out. Weed cutting should be done in May and again in late August.
Indicate km when referring to a concern.
