At the intersection of University Ave and Northfield Dr turn left (north) along the shoulder of Northfield Drive E for about 2.7 km to Sawmill Rd at a traffic light. At the traffic light turn right (east) along the Sawmill Rd sidewalk and after about 425 m the reroute rejoins the blazed trail eastward to the northern terminus of the Avon Trail at Priddle Park. This reroute shortens the distance by about 0.8 km. Note that the blazes at the intersection of Sawmill Rd and Glasgow St are located on the north side of Sawmill Rd, mainly on utility poles.
